SCHOOL BOARD CANDIDATE BRIEFINGS

Candidate Briefings

The New Jersey School Boards Association will sponsor online and regional in-person programs for local school board candidates this spring.

The programs address the structure and responsibilities of local school boards in New Jersey. Participants will receive information on topics such as:

- policy-making
- school administration
- school finance and budgeting
- school-community relations
- collective bargaining, and
- relations among the board, superintendent and staff.

The candidate briefings are not mandatory, but can be a helpful tool to inform prospective school board members of their roles and responsibilities, if elected.

Check NJSBA's website at www.njsba.org/candidacy for updates that provide times and locations of candidate briefings.
