Negotiations Trends & Health Benefits

Wednesday, November 1, 2006 6:30 PM
Stafford Township Administration Building
(Directions follow)

What better way to prepare for your district negotiations than to find out what's happening on the front lines of the negotiations process? What recommendations might you gather to "ensure" that your insurance costs won't negatively impact your bottom line?

This program will focus on the latest negotiations trends in Ocean County, as well as what direction settlements are headed in the area of health benefits. You will also get to know and learn from members in other Ocean County districts. Come and share your own experiences, good and bad!

Many Ocean County districts are preparing for negotiations, however, ALL districts are invited to participate in the update by sharing their districts' experiences.

Our presenters will be
Curt Wary, Director
Melissa Ferrara, Analyst
NJSBA Labor Relations Department

This program will help you to be well prepared to understand the new realities and to respond appropriately to safeguard the short and long-term interests of your district.

A dinner Buffet will be served at 6:30 pm with the program immediately following.
There is no charge to attend this event, however you MUST register with your district Business Office.

Please register with your district Business Administrator/Board Secretary by
