

# NJSBA Welcomes New Board Members

Congratulations on your election! The New Jersey School Boards Association was created to help you do your job more effectively and is your primary source for advocacy, board skill development, information and direct services. NJSBA field service representatives are conveniently located throughout the state and are your first source of direct information. To request the name of your field service representative, call 609-278-5255 or refer to your NJSBA Membership Guide.
