

**BUSINESS OPERATIONS**

**CONCEPT AND ROLES IN BUSINESS AND SUPPORT SERVICES**

Goals and Objectives in Business Operations

The NJSBA recognizes that money and money management are vital supports for accomplishing the Association's goals. To make that support as effective as possible, the Association shall:

- A. Adopt and implement sound fiscal procedures;
- B. Encourage advance planning through the best possible budget procedures;
- C. Expect top quality accounting and reporting procedures;
- D. Guide the expenditures of funds so as to extract the greatest returns for the benefit of the membership;  
and
- E. Maintain a level of expenditure sufficient to provide high quality information and services.
