Sick Leave Banks

The NJSBA believes that boards of education should have authority to establish district sick leave banks, as long as these arrangements do not reduce or eliminate boards' authority under N.J.S.A. 18A:30-6 and that the days donated by employees are no longer available for the donors' personal use unless such use is authorized by the sick leave bank. *[Authority: BD 3/91, DA 11/96-SR, DA 5/02-SR, DA 11/06-SR, DA 11/11-SR, DA 12/16-SR, DA 11/21-SR]*
