Filling Board Vacancies

- A. **The NJSBA believes** that vacancies should be filled by special elections only in the case of tie votes or the failure to elect due to improper election procedures;
- B. **The NJSBA believes** that executive county superintendents should not be authorized to fill vacancies, except where the number of vacancies negates a quorum or the board fails to act within 65 days;
- C. **The NJSBA believes** that local boards should have the authority to fill vacancies occurring for any other reason. Vacancies filled by either the executive county superintendent or the board would be on an interim basis only until the next annual school election.
- D. **The NJSBA believes** that school boards should conduct public interviews of candidates for vacancies on boards. [*Authority: DA 12/80-8, BD 4/93, DA 11/98 – SR, DA 11/03-SR, DA 5/08-SR, DA 5/13-SR*]
