

Webinar - Energizing Young Voters in Schools Across New Jersey

As the leading educational organizations of New Jersey, we are proud to partner with the League of Women Voters to present the webinar: **“Energizing Young Voters in Schools Across New Jersey”** on **September 29 from 3 pm to 4 pm.**

The League of Women Voters will share with you a collection of free resources, developed by curriculum experts, that you can use in your classrooms to help your students understand the importance of voting and civic responsibility.

Empower students to have their voices heard by using these ready-to-use lesson packages and classroom materials, deliverable in the virtual or in-person classroom, by the teacher or League of Women’s presenters. Through the lessons, students will learn to:

- Assist others in registering and help them overcome hesitation about vote-by-mail using the **Student Advocate Toolkit**,
- Appreciate the arduous struggle for the right to vote, analyze voter turnout and develop the intention to vote using **Fighting for the Vote**,
- Make informed voting decisions using **Vote by Design**.

NOTE: The League of Women Voters also offers a 60-minute webinar, General Election 2020: What to Expect and How to Prepare, for adults (PTAs, teacher In-Service, Boards of Education, etc.) Email lwvsmcnj@gmail.com to schedule.
