IT IS HEREBY AGREED this ______ day of June 2021, by and between E-rate Consulting, Inc., a New Jersey Corporation, with its principal place of business at 130 Valley Road, Suite B, Montclair, NJ 07042 (hereinafter referred to as “ERC”), and the ________________________ School District, with its principal offices located at [Insert Address], hereinafter referred to as Client, to amend their current Consulting Agreement as follows:

5(E). Emergency Connectivity Fund (ECF). The ECF will leverage a significant portion of the E-rate funding application process. Due to the highly-specialized nature of the E-rate and ECF Programs, the significant overlap of the application processes, and the professional and technical expertise required to successfully complete related work, it has been determined that this service is substantially similar to the E-rate process. As such, for work performed by ERC on the Client’s behalf in connection with the ECF, the Client shall pay a one-time fee to ERC in accordance with the Category Two fee structure outlined above in Section 5(B). Specifically, the Client shall pay ERC the aforementioned minimum filing fee or 3% of funding, whichever is greater. This fee shall become due and payable upon completion of the funding application process.

The remaining terms of the Parties original Consulting Agreement shall remain in full force and effect.
