

PERSONNEL
EMPLOYEE PROTECTION/SAFETY

Bombthreat Procedures

The Executive Director shall assign development of regulations for staff to follow in the event of a bomb threat. The chief concern of the Association shall be the safety of its employees.

Reporting Incidents

NJSBA staff shall immediately, or as soon as practicable, report to their Director, the Executive Director or designee in the Executive Director's absence, any incident of violence, vandalism, suspicious activity, or theft of personal or business property occurring on Association grounds.
