

PROGRAMS AND SERVICES
LABOR RELATIONS

Goals and Objectives

The goals and objectives of the Labor Relations Department are as follows:

- A. Provide relevant and timely training programs and services that are designed to increase board members' ability to be effective advocates of their districts' needs by conducting productive negotiations.
- B. Provide and maintain the most up-to-date and extensive labor relations publications available on school management.
- C. Rely on the latest technology resources available to keep board members informed of the most recent trends in school negotiations and labor relations.
- D. Provide up-to-date impact of legislative, regulatory and legal actions that pertain to labor relations.
