**GOVERNANCE PROCEDURES
COUNTY SCHOOL BOARDS ASSOCIATION**

NJSBA Bylaws (GO/9251) provide that representatives of the County Association Leadership shall serve as a member and alternate of the Board of Directors. Committee members shall be appointed for a term of three years and shall hold office until their respective successors have been appointed. To ensure the maximum participation of the county leadership, the regular member shall be appointed from a different county than the alternate. At the end of each term, the new member and alternate shall be selected from two counties that are different than those previously represented, to the extent possible. If the alternate becomes the regular member, his/her replacement shall also be from a county different from the previous two.
